TriTerm Medical

Plans for Individuals & Families

TriTerm Medical is a short term plan that provides your clients with nearly 3 years of coverage. Offering benefits for preventive care, office visits, and prescriptions can help drive longer-term customer loyalty.

PREVENTIVE CARE COVERAGE

Your clients don't have to be sick to access care. After 6 months on the plan, members can visit the doctor for wellness checks — a \$200 benefit per term, per person.

DOCTOR OFFICE COVERAGE

Doctor visits are covered on all TriTerm Medical plans. With some plans, you pay a \$50 copay for the first 4 doctor visits (per term, per person) with no deductible to meet.

PRESCRIPTION DRUGS

Plans have prescription coverage. Copay Select plans have a \$25 copay for Tier 1 prescriptions.

- + Apply once for coverage terms that equal one day less than 3 years.
- + \$2 million lifetime maximum benefit per person.
- + Meet a maximum of two deductibles per family, per term.
- + Eligible expenses for preexisting conditions covered after 12 months on the plan.
