If this coverage expires or you lose eligibility for this coverage, you might have to wait until an open enrollment period to get other health insurance coverage.

This is an outline only and is not intended to serve as a legal interpretation of benefits. Reasonable effort has been made to have this outline represent the intent of contract language. However, the contract language stands alone and the complete terms of the coverage will be determined by the policy. This coverage does not qualify as "Minimum Essential Coverage" (MEC) as defined in the Affordable Care Act and may not cover all Essential Health Benefits in your state. And, while enforcement of the federal tax penalty is not occurring in 2021, some states may impose a tax penalty if you do not have MEC coverage. This is an outline only and is not intended to serve as a legal interpretation of benefits. Reasonable effort has been made to have this outline represent the intent of contract language. However, the contract language stands alone, and the complete terms of the coverage will be determined by the policy. It is important to note there are **Exclusions and/or Limitations and Plan Provisions**. This plan is medically underwritten. **No benefits will be paid for a health condition that exists prior to the date insurance takes effect.**

Get nationwide access to quality care and cost savings

Get the most out of your benefits when you use the UnitedHealthcare Choice Plus network

Save on health care costs

- Network care available at negotiated lower rates
- Network providers agree not to bill you above that negotiated rate

National Network¹

 **1.4M+**  **6,500+**
providers hospitals

- No referrals to see a network specialist
- Use any doctor or facility in the national network

Visit UHOne.com and select Find A Doctor to search for network providers near you

In addition to the network benefits, these plans pay reduced non-network benefits. For non-emergency care received from non-network providers, you pay:

- All charges above what is considered an eligible expense
- A penalty of 25% of the eligible expense, which does not count toward the deductible
- A deductible amount equal to 2 times the network deductible

There is no out-of-pocket maximum for non-network providers. Your actual out-of-pocket costs may be more than your stated coinsurance because the bill from a non-network provider may not be used to calculate what we pay and what you pay. Emergency treatment from a non-network provider will be treated as a network-eligible service.

Round out your coverage

Further customize your coverage to meet your specific needs. Options to cover prescription drugs (except the Remove Rx Coverage option) require additional premium.

Prescription (Rx) Drug Options (You may only choose one)

| Option | Plans available | Details |
|-----------------------------|--|--|
| Add 4-Tier Rx Coverage | Short Term Medical Copay | Tier 1 prescription drugs: \$20 copay, no deductible. Tier 2-4 prescription drugs have combined \$500 deductible per person, per term, then: Tier 2 prescription drugs: \$40 copay, Tier 3 prescription drugs: \$75 copay, and Tier 4 prescription drugs: you pay 40% coinsurance. Limited to a \$3,000 maximum Rx per person, per term. |
| Add a Generic \$20 Rx Copay | Short Term Medical: Plus, Copay Value, and Copay | Applies to all tiers with no deductible to meet. Name-brand prescription drugs subject to regular plan benefits. May not be combined with 4-Tier Rx coverage. Limited to a \$3,000 maximum Rx per person, per term. |
| Remove Rx Coverage | Short Term Medical Copay | Lowers your premium. Discount card only. |
| Add Rx Coverage | Short Term Medical Copay Value | Adds 30% coinsurance on prescriptions after you meet your deductible. Limited to a \$3,000 maximum Rx per person, per term. |

Per Cause Deductible Option

Lower your premium with our Per Cause Deductible. With this option, you have a separate deductible for each illness or injury. You take more responsibility, but save about 10% on premium costs.

Note: Rx benefits remain per term even if you choose the Per Cause Deductible.

Dental and Vision

Consider help for other regular expenses not covered by health insurance with standalone Dental and Vision coverage.¹ Dental insurance can provide benefits for services ranging from routine cleanings to root canals, while vision insurance covers routine eye exams and can help pay for glasses, contacts or both.

¹Additional premium is required for coverage.

Dental and Vision require separate applications, and separate policies are issued. For costs, benefits, exclusions, limitations, eligibility, waiting periods and renewal terms, contact your broker.

What to expect from Short Term Medical plans

Here are some of the most common questions and answers on Short Term Medical. We want you to feel confident that a short term plan is right for you.

What are preexisting conditions and does a short term plan cover them?

No. Short Term Medical plans generally don't cover expenses related to preexisting conditions. This means your plan won't cover costs if:

- You're currently taking medicine or getting treatment for an illness, injury or condition
- You've had a condition in the past that resurfaces
- You're already pregnant before signing up for a plan

If you need coverage for preexisting conditions, exploring Affordable Care Act insurance options may be your best choice.

What preventive care is covered?

Preventive care covered by your plan is very specific, limited to mammograms, PAP smears, prostate checks and some preventive care for children on the plan. Immunization services that qualify as children's preventive health care services are exempt from any deductible, coinsurance or copayment amounts. However, adult immunizations, like the flu shot, for example, would not be covered.

If I'm responsible for more out-of-pocket costs with a high deductible, what am I getting out of my plan?

While having a higher deductible means you agree to pay more before insurance starts to pay, those payments are not the only way your Short Term Medical plan "pays" for itself. Network providers agree to lower rates for your care. So even if you're still paying on your deductible, what you're paying is less than you would pay without your Short Term Medical plan.

Exclusions/Limitations

(insurance plans)

This is only a general outline of the exclusions. It is not an insurance contract, nor part of the insurance certificate. You will find complete details in the certificate.

Some states may require that you have Minimum Essential Coverage in order to avoid a penalty. The short-term, limited-duration insurance benefits under this coverage do not meet all federal requirements to qualify as “Minimum Essential Coverage” for health insurance under the Affordable Care Act (“ACA”). This plan of coverage does not include all Essential Health Benefits as required by the ACA. Preexisting Conditions are not covered under this plan of coverage. Be sure to check your Policy/Certificate carefully to make sure you understand what the Policy/Certificate does and does not cover. If this coverage expires or you lose eligibility for this coverage, you might have to wait until the next open enrollment period to get other health insurance coverage. You may be able to get longer term insurance that qualifies as “Minimum Essential Coverage” for health insurance under the ACA and help to pay for it at www.healthcare.gov. Be sure to check your Policy/Certificate carefully to make sure you are aware of any exclusions or limitations regarding coverage of preexisting conditions or health benefits (such as hospitalization, emergency services, maternity care, preventive care, prescriptions and mental health and substance use disorder services). Your Policy/Certificate might also have lifetime and/or dollar limits on health benefits.

General Exclusions

Benefits will not be paid for services or supplies that are not administered or ordered by a doctor and medically necessary to the diagnosis or treatment of an illness or injury, as defined in the policy.

No benefits are payable for expenses:

- For a preexisting condition—A condition: (1) for which medical advice, diagnosis, care or treatment was recommended or received within the 12 months immediately preceding the date the covered person became insured under the policy/certificate; or (2) that had manifested itself in such a manner that would have caused an ordinarily prudent person to seek medical advice, diagnosis, care or treatment within the 12 months immediately preceding the date the covered person became insured under the policy/certificate. A pregnancy existing on the effective date of coverage will also be considered a preexisting condition.

NOTE: Even if you have had prior Golden Rule coverage and your preexisting conditions were covered under that plan, they will not be covered under this plan.

- That would not have been charged if you did not have insurance.

- Incurred while your coverage is not in force.
- Imposed on you by a provider (including a hospital) that are actually the responsibility of the provider to pay.
- For services performed by an immediate family member.
- That are not identified and included as covered expenses under the policy or in excess of the eligible expenses.
- For services that are not covered expenses.
- For services or supplies that are provided prior to the effective date or after the termination date of the coverage.
- For weight modification or surgical treatment of obesity, including wiring of the teeth and all forms of intestinal bypass surgery.
- For breast reduction or augmentation.
- For prescriptions, treatment or procedures that promote conception.
- For sterilization or reversals of sterilization.
- For fetal reduction surgery or abortion (unless life of mother would be endangered).
- For treatment of malocclusions, disorders of the temporomandibular joint (TMJ) or craniomandibular disorders.
- For modification of the physical body in order to improve psychological, mental, or emotional well-being, such as sex-change surgery.
- Not specifically provided for in the policy, including telephone consultations, failure to keep an appointment, television expenses or telephone expenses.
- For marriage, family or child counseling.
- For standby availability of a medical practitioner when no treatment is rendered.
- For dental expenses, including braces and oral surgery, except as provided for in the policy.
- For cosmetic treatment.
- For reconstructive surgery unless incidental to or following surgery or for a covered injury, or to correct a birth defect in a child who has been a covered person since childbirth until the surgery.
- For diagnosis or treatment of learning disabilities, attitudinal disorders or disciplinary problems.
- For diagnosis or treatment of nicotine addiction.
- For charges related to or in preparation for, tissue or organ transplants, except as expressly provided for under Transplant Services.

Exclusions/Limitations continued

(insurance plans)

General Exclusions, continued

No benefits are payable for expenses:

- For injuries from participation in professional or semi-professional sports or athletic activities for financial gain, as determined by Golden Rule.
- For high-dose chemotherapy prior to, in conjunction with or supported by autologous bone marrow transplant (ABMT)/bone marrow transplant (BMT), except as specifically provided under the Transplant Expense Benefits provision.

- While confined for rehabilitation, custodial care, educational care, nursing services or while at a residential treatment facility, except as provided for in the policy.

- Resulting from or during employment for wage or profit, if covered or required to be covered by workers' compensation insurance under state or federal law. If you entered into a settlement that waives your right to recover future medical benefits under a workers' compensation law or insurance plan, this exclusion will still apply. Should a workers' compensation insurance carrier deny coverage for a covered person's claim, this exclusion will still apply unless the denial is appealed and upheld to the proper government agency.
- Resulting from intoxication, as defined by state law where the illness or injury occurred, or while under the influence of illegal narcotics or controlled substances, unless administered or prescribed by a doctor.
- For vocational or recreational therapy, vocational rehabilitation, outpatient speech therapy or occupational therapy, except as provided for in the policy.
- Resulting from experimental or investigational treatments, or unproven services.

Plan Provisions

(insurance plans)

This is only a general outline of the provisions. It is not an insurance contract, nor part of the insurance certificate. You will find complete details in the certificate.

Coordination of Benefits (including Medicare)

If after coverage is issued, a covered person becomes insured under another health plan or Medicare, benefits will be determined under the Coordination of Benefits (COB) clause. COB allows two or more plans to work together so the total amount of all benefits is never more than 100% of covered expenses.

To determine which plan is primary, refer to “order of benefits” in your certificate.

Dependents

For purposes of this coverage, eligible dependents are your lawful spouse and eligible children. Eligible children must be under 26 years of age at time of application.

Effective Date

Your certificate will take effect on the later of:

- The requested effective date on your application; or
- The day after the postmark date affixed by the U.S. Postal Service,* but only if the following conditions are satisfied:

- A. Your application and the appropriate premium payment are actually received by us within 15 days of your signing;**
- B. You are a member of the Federation of American Consumers and Travelers (FACT);
- C. Your application is properly completed and unaltered;

- D. You have answered “no” to question 2 (if other questions are answered “yes,” we will exclude the person(s) listed);
- E. You are a resident of a state in which the certificate form can be issued; and
- F. If the application is submitted by an agent or broker, the agent or broker is properly licensed and appointed to submit applications to Golden Rule.

* If mailed and not postmarked by the U.S. Postal Service or if the postmark is not legible, the effective date will be the later of: (1) the date you requested; or (2) the date received by Golden Rule. If the application is sent by any electronic means including fax, your coverage will take effect on the later of: (1) the requested effective date; or (2) the day after the date received by Golden Rule.

** Your account will be immediately charged.

Eligibility

At time of application, the primary insured must be a minimum of 19 years of age.

Eligible Expense

An eligible expense means a covered expense as follows:

- For Network Providers: the contract fee for the provider.
- For Non-Network Providers: when a covered expense is received as the result of an emergency or as otherwise approved by us, the eligible expense is the lesser of the billed charge or the amount negotiated with the provider. Except as noted above, the eligible expense is the first of the following that can be applied:

1. The fee negotiated with the provider;
2. 110% of the fee Medicare allows for the same or similar service in the same area;
3. The fee set by us after comparing rates from 1 or more regional or national databases, or schedules for the same or similar service from a geographical area determined by us; or
4. The fee charged by the provider.

Non-Renewable

Your Short Term Medical certificate is not renewable. We may cancel coverage if there is fraud or material misrepresentation made by or with the knowledge of a covered person in filing a claim for benefits.

Termination

This policy/certificate will terminate on the earliest of:

- The primary insured’s death. If the policy/certificate includes dependents, it may be continued after the primary insured’s death by a spouse, if a covered person; otherwise, by the youngest child who is a covered person.
- Nonpayment of premiums when due.
- The termination date shown on the Data Page of the policy/certificate.
- The date we receive a request from you to terminate the policy/certificate.
- The date there is fraud or material misrepresentation made by or with the knowledge of a covered person filing a claim for benefits.
