Calendar Year vs. Policy Year

A calendar year runs from January to December and starts over on January 1 of the following year. Each plan's annual maximum coverage amount and deductible apply during the calendar year.

A policy year is the anniversary of the plan's effective start date. The increasing coinsurance applies to the plan's policy year.

Change or Misstatement of Residence (Address)

You must notify us within 60 days of changing your residence. Your premium based on your new residence will begin on the first due date after the change. If you misstate your residence on the application or fail to notify us of a change of residence, we will apply the correct premium on the first due date you resided at that residence. If the change results in: lower premium, we will refund any excess; higher premium, you will owe us (misstatement not applicable in AL or VT).

Eligibility

At the time of application, primary insured must be 18-64 years of age. Spouse (as defined by state) may be of any age. Eligible children 0-25 years of age (drop off on 26th birthday) or as required by state. In HI, an eligible dependent includes a reciprocal beneficiary.

Misstatement of Age

If the covered person's age has been misstated on the covered person's application for coverage under the policy, any future premiums may be adjusted and past premiums may be refunded or owed to us, or benefits may be adjusted, based on the correct age. If a covered person's age has been misstated and we would not have issued coverage for that covered person, we will refund the premium paid minus any benefit amounts paid by us, and coverage would be void from the effective date.

The covered persons type and level of benefits and place of residence on the premium due date are some of the factors that may be used in determining your premium rates.

Renewability and Termination

The policy is renewable until the earliest of the following:

- The insured's death. If the policy includes dependents, it may be continued after the insured's death:
 - By the spouse, if the spouse is a covered person
 - Otherwise, by the youngest child who is a covered person;
- Nonpayment of premiums when due;
- The date we receive a request from you to terminate the policy;
- The date we decline to renew all policies issued on this form with the same type and level of benefits in your state of residence; or
- The date there is fraud or a misrepresentation made by or with the knowledge of a covered person.

How the Vision Program Works

Your out-of-pocket expenses – what you'll owe for vision services – will vary depending on the type of provider you use:

- **For Network Vision Providers:** After your copay, they agree to accept the plan payment as full reimbursement for covered expenses. Check our online list of providers. They are categorized in three ways:
 - Full service – are contracted to provide eye exams and prescription eyewear at discounted rates.
 - Exam Only – are contracted to provide exams ONLY at discounted rates.
 - Dispense Only – are contracted to dispense prescription eyewear ONLY at discounted rates.
- **For Non-Network Vision Providers:** You must pay non-network providers in full at time of service. Then you submit itemized copies of receipts and request reimbursement from the UnitedHealthcare Vision Claims department (administered by Spectera, Inc.). Your out-of-pocket costs may be higher with a non-network provider.

Please Note: This vision benefit program is designed to cover vision needs rather than cosmetic extras. If those are selected, the plan will pay the costs of the allowed lenses and you will be responsible for the additional cost of the cosmetic extras.

Eyeglass Frames and Lenses

The eyeglass frames benefit includes their fitting and subsequent adjustments to maintain comfort and efficiency. Eyeglass lenses may include single vision, bifocal, and trifocal/lenticular lenses. Additional costs for other types of lenses, lens materials and lens option extras may apply.

Vision Benefit Exclusions and Limitations

No benefits are payable for the following vision expenses:

- Orthoptics or vision therapy training and any associated supplemental testing;
- Plano lenses (a lens with no prescription on it);
- Oversized lenses;
- Replacement of eyeglass lenses and frames furnished under this plan which are lost or broken except at the normal intervals when services are otherwise available;
- Medical or surgical treatment of the eyes;
- Any eye examination or any corrective eyewear, required by an employer as a condition of employment;
- Corrective vision treatment of an experimental or investigative nature;
- Corrective surgical procedures such as, but not limited to, Radial Keratotomy (RK) and Photorefractive Keratectomy (PRK);
- Eyewear except prescription eyewear;
- Charges that exceed the allowed amount;
- Services or treatments that are already excluded in the General Exclusions and Limitations section of the policy; and
- Optional lens extras not listed in your policy.
