THIS PRODUCT PROVIDES LIMITED BENEFITS. HEALTH PROTECTORGUARD IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR THE MINIMUM ESSENTIAL COVERAGE REQUIRED BY THE AFFORDABLE CARE ACT (ACA). LACK OF MAJOR MEDICAL COVERAGE (OR OTHER MINIMUM ESSENTIAL COVERAGE) MAY RESULT IN AN ADDITIONAL PAYMENT WITH YOUR TAXES.

This product provides benefits in a stated amount regardless of the actual expenses incurred. Golden Rule Insurance Company is the underwriter of these insurance plans.

However, the contract language stands alone and the complete terms of the coverage will be determined by the policy.

Hospital Services

- All insurance plan options offer benefits for unlimited days of confinement for inpatient hospital stays.
- The ICU benefit pays while confined in the intensive care unit or critical care unit of a hospital and is paid in addition to the inpatient hospital confinement benefit. See page 2 for maximum days per confinement.

Why Health ProtectorGuard?

You and your family can apply for coverage at any time of the year since Health ProtectorGuard is not subject to open enrollment periods.

Increasing Injury Reimbursement

For each year you renew your insurance plan, your inpatient hospital confinement benefit, specifically related to injuries, will increase. This means if anyone covered by the policy has a hospital stay related to an injury the hospital confinement benefit is **replaced** with the “Increasing Injury Reimbursement” benefit earned starting year 2 of your insurance plan. The benefit does not compound from policy year to year.

(This increase does not apply to Inpatient Reimbursement related to sickness.)

If the effective date of coverage is prior to July 1, then the Second Year of coverage will begin on the following January 1. If the effective date is on or after July 1, the Second Year will begin January 1 following 12 consecutive months of coverage. Subsequent years after the Second Year will begin the following January 1.

Surgical Services

- Surgeon benefits apply whether surgery is performed in a hospital, an outpatient surgical facility, or a doctor's office/clinic.
- All insurance plans have unlimited days of surgical benefits.
- Anesthesiologist benefits are paid each day anesthesia is administered for inpatient or outpatient surgery.

Why Health ProtectorGuard?

Designed to offer simple, straight-forward benefits, the Health ProtectorGuard insurance plan you choose will pay the eligible fixed-benefit amount, regardless of the amount charged by providers.

If you can rollover your unused data, why not your doctor visits too? This unique benefit allows you to rollover any unused doctor office (illness or injury) or urgent care visits remaining at the end of a calendar year to the next calendar year. A maximum of 5 visits are allowed to rollover.

If the effective date of coverage is prior to July 1, then any eligible unused visits may rollover on the following January 1. If the effective date is on or after July 1, then unused visits cannot begin accruing until January 1 following 12 consecutive months of coverage.
