However, the contract language stands alone and the complete terms of the coverage will be determined by the policy. State specific differences may apply.

Hospital Guard GI (HGGI)

Fill the gap

The cost of medical care, especially a hospital stay, can add up quickly. HGGI can help fill the gaps in your health coverage by providing cash to assist with paying for your deductible and non-covered expenses from a qualifying hospital stay.

HGGI provides straightforward cash benefits for inpatient hospital stays.

- Benefit payments are yours to use however you like. Save them, pay medical bills or help pay expenses if you miss work.
- You can choose any provider and are not limited to a network.
- There is no deductible to meet prior to receiving benefit payments.
- Benefits are paid regardless of other insurance.

Why hospital insurance?

Though no one expects to go to the hospital, that is probably the best reason for hospital insurance — help for the unexpected. Even with other insurance most people will have to pay some portion of their medical bill out of pocket. With a plan like HGGI, you can receive fixed cash benefits for qualified medical services, like a hospital stay, to help you cover those out-of-pocket expenses, and you can use it however you see fit.

What does “fixed benefit” mean and how does it work?

“Fixed benefit” simply means we pay a set (or “fixed”) amount for certain qualified medical services. See amounts on the next page. If you receive an eligible service and submit a claim to us, then qualifying benefits will be paid in the amounts shown. We mail a check to you directly. You use it how you want.

Cash benefits will be paid for qualifying expenses.

Some state exceptions may apply (see State Variations). The purchase of this plan is not contingent upon purchasing or having any individual or group health insurance coverage.

Exclusions and/or Limitations

The policy may limit or exclude benefits for any loss caused by, resulting from, for or relating to any of the following:

Plan Provisions

This is only a general outline of the provisions. It is not an insurance contract, nor part of the insurance policy. You will find complete coverage details in the policy. Some state exceptions may apply (see State Variations). The purchase of this plan is not contingent upon purchasing or having any individual or group health insurance coverage.

Eligibility

At time of application, the primary insured and spouse (as defined by state) must be between 18-64 years of age and eligible children 0-25 years of age or as required by state.

Misstatement of Age

If the covered person's age has been misstated on the covered person's application for coverage under the policy, any future premiums may be adjusted and past premiums may be refunded or owed to us based on the correct age. If a covered person's age has been misstated and we would not have issued coverage for that covered person, we will refund the premium paid minus any benefit amounts paid by us, and coverage would be void from the effective date.

Notice of Claim

We must receive notice of claim within 30 days of the date the loss began or as soon as reasonably possible.

Preexisting Conditions

We will not pay benefits, as outlined in the policy, for a loss which manifests due to, results from, is caused or otherwise contributed to, a preexisting condition. The preexisting condition limitation will not apply longer

than 12 months (or as required by state) after a covered person's applicable effective date under the policy.

"Preexisting condition" means any illness, injury or condition:

- For which medical advice, care or treatment was recommended to or received by a covered person within 6 months immediately preceding the covered person's effective date under the policy;
- For which any diagnostic procedure or screening was recommended to or received by the covered person within the 6 months immediately preceding the covered person's effective date under the policy that results in medical care or treatment after the covered person's effective date; or
- That manifested symptoms which would cause an ordinarily prudent person to seek medical advice, diagnosis, care, treatment or further evaluation within the 6 months immediately preceding the covered person's effective date under the policy.

Premium

Premium rates are subject to change. Your age, family status and level of coverage are some factors that could be used to determine your premium rate. You will be given at least a 31-day notice (or longer if required by your state) of any change in your premium.

We will make no change in your premium solely because of claims made by a covered person under the policy or a change in a covered person's health.

Renewable and Termination

The policy is renewable until the earliest of the following:

- The end of the premium period when the primary insured turns 65 or the primary insured's death. If the policy includes a spouse, it may be continued by the spouse after the primary insured's 65th birthday or death;
- Nonpayment of premiums when due;
- The date we decline to renew this policy or the date we discontinue offering and refuse to renew all policies issued on this form for all residents of the state where you reside;
- The date we receive a request from you to terminate the policy; or
- The date there is fraud or a material misrepresentation made by or with the knowledge of a covered person

Underwriting

Insurance plans are not subject to medical underwriting.

THIS IS NOT QUALIFYING HEALTH CARE COVERAGE ("MINIMUM ESSENTIAL COVERAGE") THAT SATISFIES THE HEALTH COVERAGE REQUIREMENT OF THE AFFORDABLE CARE ACT.
