Why choose dental coverage?

Dental highlights

Coverage for your oral health in a convenient plan designed with budget-friendly premiums in mind

Why dental insurance?

Taking care of your health goes beyond regular medical checkups. Dental health is just as important to your overall well-being. Having a supplemental plan like DentalWise can provide additional coverage to help protect your overall health and budget.

Use dental benefits right away, no wait for most services

Our DentalWise plans offer you coverage without waiting periods for preventive, basic and most major services so you can start using them right away! This means you have immediate coverage for routine services like exams and cleanings, plus major repairs like crowns and root canals.

Helping to enhance your quality of life

Your overall health and well-being rely greatly on your dental care. When you smile more, life is naturally more enjoyable. Choosing a DentalWise plan can help enhance your quality of life and help you feel good about yourself.

This is an outline only and is not intended to serve as a legal interpretation of benefits. Reasonable effort has been made to have this outline represent the intent of contract language. However, the contract language stands alone, and the complete terms of the coverage will be determined by the policy.

Dental plan options

Our plan options allow you to select a plan that best balances your premium and out-of-pocket expenses, with your anticipated benefit use, giving you the freedom to choose what works best for you.

They are either based on the network negotiated rate or are based on the reasonable and customary charge (reasonable and customary benefits are identifiable by the word "Plus" added to the plan name). Non-network dentists can bill a patient for any remaining amount up to the billed charge. ³ Limitations and exclusions may apply based on type of service. ⁴ The Implant Maximum Lifetime Benefit is separate from, and not subject to, the Dental Benefit Maximum.

Dental benefit network

Dental benefits and how they work

Dental benefits are administered by Dental Benefit Providers, Inc. We will cover dental services subject to the terms, conditions, exclusions and limitations of the policy. All services are subject to Dental Benefit Maximum and applicable coinsurance. All services, except Preventive, are subject to deductible.

Network provider services

You can see any dentist you want, anywhere across the country. When you choose a dentist who is part of the large national network, National Options PPO 30, you can receive network discounts without the hassle of negotiations. Visit yourdentalplan.com/dentistsearch to find a provider and present the provider with your dental ID card. We will pay the provider the covered benefit, and the provider will bill you for the remainder.

There are no claim forms to fill out when obtaining services from a network provider.

Non-network provider services

The non-network provider may submit the claim to us directly. The provider can then bill you for any remaining amount due up to the billed charge. If a provider does not wish to submit the claim to us, you will need to pay in full at the time of service. You can then submit the claim for reimbursement by going to myuhc.com and completing the dental claim form.

For plans covering implants, the policy does not pay benefits for any service or treatment caused by, resulting from, for, which are, or relating to any of the following:

- Covered expenses incurred during the waiting period

Policy Provisions

This is only a general outline of the provisions. It is not an insurance contract, nor part of the insurance policy. You will find complete coverage details in the policy.

Definitions:

- **Dental Benefit Maximum** means the maximum amount payable under the policy for each insured person, per Policy Year, for all dental covered expenses, after the application of any dental benefit deductible and coinsurance.
- **Policy Year** means each consecutive 12 month period beginning with the effective date.

Eligibility

Plans can be issued to a primary insured ages 18 - 99 and spouse/domestic partner (as defined in CA Family Code section 297) ages 16 - 99. Eligible dependent children include your natural and adopted children and step-children (including children of a domestic partner) under 26 years of age. Eligible dependent also includes your dependents who are incapable of self-sustaining employment by reason of intellectual disability or physical disability; and chiefly dependent on you (receives majority of financial support) for support and maintenance.

Age Misstatement

If the age of any individual covered under the policy has been misstated, there shall be an adjustment of the premium for the policy so that there shall be paid to the insurer the premium for the coverage of such individual at his or her correct age, and the amount of the insurance coverage shall not be affected.

Alternate Procedure

If two or more services are considered acceptable to correct the same dental condition, the amount payable will be based on the covered expenses for the least expensive service that will produce a professionally satisfactory result.

Change of Residence

If you change your residence, we request you notify us.

Non-network vs. network

You may pay more using non-network providers. Non-network providers may bill you for any amount up to the billed charge after the portion covered by the policy has

been paid. Network providers have agreed to discounted pricing for covered expenses with no additional billing to you other than the coinsurance and deductible amounts.

Premium Changes

We reserve the right to change the table of premiums on a class basis, as defined in the policy. We will give you written notice of at least 31 days prior to the effective date of the new rates. Each premium will be based on the rate table in effect on the premium due date.

Reimbursement

If dental services are caused by the acts or omissions of a third party, we have the right to assert a lien to be reimbursed to the extent of benefits we paid for dental services, as outlined in the policy.

Renewability and Termination of Coverage

The policy is renewable until the earliest of the following:

- Nonpayment of premiums when due, subject to the provisions in the policy
- The end of the premium period following a request by you to terminate the policy
- On the date you: perform an act or practice that constitutes fraud; or make an intentional misrepresentation of material fact, relating in any way to the coverage provided under the policy, including claims for benefits under the policy
- On the date we elect to discontinue this plan, type of coverage, or all coverage in your state
- The date of your death, if it is a primary insured only policy. (If there are other members on the policy, Continuation provisions apply.)

Right to Examine

It is important to us that you are satisfied with the coverage being provided. This product has a Right to Examine period, also commonly referred to as "free look." After applying and after your policy is issued, if you are not satisfied the coverage will meet your insurance needs, you may return the policy to us within 10 days and have the paid premium refunded. Refer to policy for details.
