HospitalWise

What if you had a hospital stay?

Would you be able to pay out-of-pocket costs that may come with it? We don't like to think something like this will happen, but when the unexpected hits, sometimes our bank account isn't ready. Even with other health insurance, often you have some personal responsibility to cover a copay or other costs. While a HospitalWise plan can't keep you out of the hospital, it can help offer some cash relief with fixed cash benefits.

What does "fixed benefit" mean and how does it work?

"Fixed benefit" simply means we pay a set (or "fixed") amount for certain qualified medical services. If you receive an eligible service and the claim is submitted to us, then qualifying benefits will be paid to you as determined by your plan.

- The payment you get isn't based on the size of your medical bill.
- There is a limit on how much this policy will pay for certain benefits each year.
- This plan works well as a supplement to comprehensive health insurance.

See the next page for eligible services and the fixed benefit amounts.

Choice of benefits; use the money how you want

With the HospitalWise hospital indemnity plan, a cash benefit will be paid directly to you¹ for a qualified medical expense. With 3 plans available, you can choose the coverage that best fits your needs and budget. Benefits are paid regardless of other insurance.

HospitalWise includes straightforward cash benefits for:

- Inpatient hospital stay for sickness or injury
- Intensive care unit (ICU) stay
- Hospital observation (12 to 24 hours)

Some plans also include²:

- Emergency room/urgent care visits/doctor's office visits
- Outpatient surgery and major diagnostic exams
- Ambulance trips
- Wellness visits³

It's also good to know:

- There is no waiting period for most benefits^{3,4}
- Available for issue ages 18-64
- Guaranteed issue, meaning no medical questions⁴
- Plans are renewable for life as outlined in the policy

¹ If you assign your policy benefits to a hospital or any other provider of health care services, benefits will be paid to the provider. ² Benefits vary by plan and may vary by state. See details on next page. ³ 30-day waiting period in most states for the Wellness benefit. ⁴ Preexisting Conditions apply.

Highlights of benefits

Policy Provisions

This is only a general outline of the provisions. It is not an insurance contract, nor part of the insurance policy. You will find complete coverage details in the policy. Some state exceptions may apply (see State Variations).

Eligibility

At the time of application, the primary insured must be 18 - 64 years of age. Your spouse which is the person to whom you are legally married or your domestic partner (or as defined by state) is also eligible. Eligible child is your or your spouse's child less than 26 years of age. Child includes: natural child; legally adopted child; child placed with you or your spouse for adoption; or child for whom legal guardianship has been awarded to you and your spouse (or as defined by state).

Misstatement of Age or Residence

If your age has been misstated in the application for coverage under the policy, any future premiums will be adjusted and past premiums will be refunded or owed to us, based on your correct age. If your age has been misstated and we would not have issued coverage, we will refund the premium paid minus any benefit amounts paid by us, and coverage would be void from the effective date.

Your premium will be based on your place of residence on the policy effective date. If your residence is misstated on your application, we will apply the correct premium amount beginning on the first premium due date you resided at that place of residence. If the change results in lower premium, we will refund any excess premium. If the change results in higher premium, you will owe us the additional premium. If your residence has been misstated and we would not have issued coverage based on your correct residence, we will refund the premium paid minus any benefit amounts paid by us, and coverage would be void from the effective date.

Notice of Claim

We must receive notice of claim within 30 days of the date of the loss or as soon as reasonably possible.

Preexisting Conditions

We will not pay benefits under the policy for a loss which manifests due to, results from, is caused or otherwise contributed to by, a Preexisting Condition (as defined by state), or complications resulting from a Preexisting Condition. This limitation will not apply longer than 6 months after a covered person's applicable effective date under the policy.

Preexisting Condition means:

- Any sickness, injury or condition for which medical advice, care or treatment was recommended or received within the 6 months immediately preceding the covered person's effective date;
- Any sickness, injury or condition for which any diagnostic procedure or screening was recommended to or received by the covered person within the 6 months immediately preceding the covered person's effective date that results in medical care or treatment after the covered person's effective date; or
- Any sickness, injury or symptom(s) that, in the opinion of a physician, manifested itself in a manner that would have caused an ordinarily prudent person to seek medical advice, diagnosis, care, treatment or further evaluation within the 6 months immediately preceding the covered person's effective date.

Premium Change

Premium rates are subject to change. Your age, level of benefits, family status, and residence are some of the factors that could be used to determine your rate. You will be given a 31-day notice (or longer if required by your state) of any change in your premium.

We will make no change in your premium solely because of claims made by a covered person under the policy or a change in a covered person's health.

Policy Provisions (continued)

This is only a general outline of the provisions. It is not an insurance contract, nor part of the insurance policy. You will find complete coverage details in the policy. Some state exceptions may apply (see State Variations).

- Nonpayment of premiums when due, subject to the policy provisions.
- The end of the period through which premium has been paid following our receipt of your request for termination.
- The date there is fraud or a material misrepresentation made by or with the knowledge of a covered person in filing a claim for policy benefits.
- The date you are no longer a permanent resident of the United States.
- The date of your death, if this is a primary insured only policy.

Right to Examine

It is important to us that you are satisfied with the coverage being provided. This product has a Right to Examine period, also commonly referred to as “free look.” After applying and after your policy is issued, if you are not satisfied the coverage will meet your insurance needs, you may return the policy to us within 10 days (or as required by state) and have the paid premium refunded. Refer to policy for details.
