Statement of Understanding

I have read this application and represent that the information shown on it is true and complete. I understand and agree that:

- (2) The primary applicant must be age 64 and 11 months or older on the plan effective date to be eligible for coverage.
- (3) Incorrect or incomplete information in this application may result in voidance of coverage and claim denial.
- (4) The information provided in this application, and any supplement or amendments to it, will be made a part of any policy or policies that may be issued.
- (5) If an application is approved, insurance will be effective:
 - (a) The first day of the month following receipt and approval of this application and receipt of your first month's payment; or
 - (b) The first day of a future month requested by you.
- (6) The agent is only authorized to submit the application and initial premium and may not change or waive any right or requirement.
- (7) If UHIC rejects this application, under no circumstances will any benefits be payable. Receipt of payment by UHIC does not constitute approval of my application or create UHIC coverage.
- (8) I have received a Notice of Privacy Practices and a Conditional Receipt or Conditions Prior to Coverage.
- (9) I acknowledge that applicant has access to/has received a Guide to Health Insurance for People with Medicare. The Guide to Health Insurance for People with Medicare is available at: <https://stage.uhone.com/api/supplysystem/?Filename=Medicare-Medigap-guide.pdf>

This is not Medicare Supplement Insurance

This insurance provides limited benefits, if you meet the policy conditions, for expenses relating to the specific services listed in the policy. It does not pay your Medicare deductibles or coinsurance and is not a substitute for Medicare Supplement insurance.

This insurance duplicates Medicare benefits when:

- any of the services covered by the policy are also covered by Medicare

Medicare pays extensive benefits for medically necessary services regardless of the reason you need them. These include:

- hospitalization
- physician services
- outpatient prescription drugs if you are enrolled in Medicare Part D
- other approved items and services

Before You Buy This Insurance

- √ Check the coverage in **all** health insurance policies you already have.
- √ For more information about Medicare and Medicare Supplement insurance, review the *Guide to Health Insurance for People with Medicare*, available from the insurance company.
- √ For help in understanding your health insurance, contact your state insurance department or serving health insurance needs of elders [SHINE].

UNITEDHEALTHCARE INSURANCE COMPANY • 185 ASYLUM STREET • HARTFORD, CT 06103-0450
SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application, or information you have furnished, you intend to lapse or otherwise terminate existing dental and/or vision insurance

_____ (Current Policy No.)

you have with _____ (Current Insurance Company's Name)

and replace it with a policy to be issued by UnitedHealthcare Insurance Company. For your own information and protection, you should be aware of and seriously consider certain factors that may affect the insurance protection available to you under the new policy.

1. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
2. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain that all questions on the application are truthfully and completely answered. Failure to include all material information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed it should be carefully reviewed before being signed to be certain that all information has been properly recorded.

3. New policies may be issued at an older age than that used for issuance of your present policy; therefore, the cost of the new policy, depending upon the benefits, may be higher than you are paying for your present policy.
4. The renewal provisions of the new policy should be reviewed so as to make sure of your rights to periodically renew the policy.
